The Trestle Board
For the Months of January—February
Mail To:

Greetings, It seems like just last week I was writing my first Worshipful Master's message. And now I have

the honor to do it once again. First I'd like to thank you for this honor. This will be a challenging year for all, more especially Free Masons. A lot of Masonic lodges have to meet via their computers on video conference. So far we have been lucky and none of our Brothers that attend open lodge have been sick. Currently we are taking temperatures as our members enter the door. No one who's temperature is over 100 degrees is admitted. We have hand wipes and are encouraging social distancing, of course if you want to wear a face covering it is also encouraged

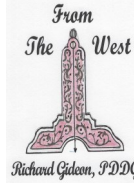

We have two Entered Apprentice Brothers studying to return their catechism by the first meeting in February. That would give the Lodge the opportunity of doing a Fellow Craft degree the 18th of February.

The Lodge's annual golf tournament (our primary fund raiser) normally held in February is being postponed due to coronavirus until later date after things start to return to normal.

The coronavirus has also impacted our spaghetti dinners which are on hold until we can safely conduct them. This has severely impacted the Lodge in so many ways, any fund raising events will really be negatively impacted by the financial stability of our Lodge.

Upon The Square

Tom Kilkenny, PM, Worshipful Master

Greetings from the West,

Merry Christmas and Happy New Year my Brothers. I hope everyone had a blessed and healthy Holiday season. Obviously we don't know what 2021 is going to bring us. We can all desire the new year is better than 2020 was with all the adversity everyone went through with covid 19.

I look forward to serving the lodge from the West, my expectations are that I fill the chair with integrity and dependability for both my Lodge and my Brothers. I look forward to this to being a learning year for me with confidence of expanding my knowledge in Masonry. I anticipate seeing all my Brothers at the upcoming degrees currently planned.

As we prepare for the New Year the Lodge will continue to cope with coronavirus. To that point the Lodge's annual golf tournament will have to be tabled until we see how things go with the current covid 19 progress. We will try to have our tournament later on in the year depending on how things are progressing. Be safe my brothers and look well to the West.

Jerry Cantrell, Senior Warden**

Greetings from the South,

I'd like to take this opportunity to thank those who elected me to this office. I appreciate all the Brothers for extending their hands in friendship and brotherly love also encouraging and assuring me that I'm a good man for the position and the duties it involves and requires. I will respect and give my best efforts to the that which has been entrusted to me and to the lodge in general.

I'm sure the New Year will be filled with welcomed news both in and outside of our lodge. Pandemic help continues to make progress eventually resulting in eradicating covid 19. Like everyone, I look forward to things getting back to normal. It will be nice to see us getting back to our degree work. The Spaghetti dinners and Golf tournament would be nice to get back on the calendar when our situation permits..

***From The* Greetings My Brothers,
*Chaplain***

Wishing all my Brothers and their families a "Happy New Year" as we move into 2021. Hopefully 2021 will be a good year for all of us. I know 2020 was a rough year for everyone; having to stay in the house and closed in for months was hard to do. Let's keep praying things will get better in 2021.

January 2, 2021 at 2:00 P.M. the Lodge will meet for the Installation of new Officers. Since the Virus is still around, for safety concerns we will have a closed Installation. Hopefully next year things will be better and our family members can attend.

Looks like I will be Chaplain again for our Lodge. Our first meeting for the new year will meet Thur., Jan. 14th at 7:30 P.M. We will serve refreshments at 6:30 P.M.

My Brothers don't forget Valentine's Day will be on Sun., Feb. 14th. You might be in "Hot Water" if you forget. Look forward to seeing all of you in Lodge this new year.

**Take care and may the "Good Lord" bless you.
Jimmy Gillyard, Chaplain**
